40TH ANNIVERSARY CENTRUM GALA DINNER AND AUCTION

SATURDAY OCTOBER 12, 2013 | THE COMMONS, FORT WORDEN STATE PARK, PORT TOWNSEND, WA

presented by
 **KITSAP BANK**

W E L C O M E

Welcome to Kaleidoscope, Centrum's celebratory 40th Anniversary Gala!

A kaleidoscope offers a sensational visual metaphor for Centrum and its 40 years of impact in the lives of thousands of aspiring artists and learners of all ages. What begins, slowly changes over time, always influenced by that which came before.

The same is true of Centrum and its many thousands of participants from age four to ninety-five! Centrum's programs change lives, and we are here tonight to celebrate 40 years of extraordinary enrichment.

Our 40th Anniversary Ruby Gala is a chance for you to show your support of Centrum and its mission.

We encourage you to bid tonight, motivated by knowing that 100% of what you bid helps Centrum and the thousands of workshop students and adults whom we serve. We ask that you bid generously, knowing that you will be doing well by doing good!

We are especially thrilled to debut an excerpt of a brand new documentary film about Centrum which will be released in 2014. Local filmmakers Jane Champion and Michael Delagarza have been documenting Centrum's programs since 2000, and we hope you will be powerfully moved by the stories of our diverse and dedicated participants and faculty. We thank Jane and Michael for their own artistic contributions to our anniversary season.

Finally, as we reflect upon these forty years with much gratitude to all those who brought us to where we are today, we also look forward to the incredible potential of Centrum's on-going programs and the possibility of new and exciting ventures. With your help tonight, Centrum can fulfill its potential and

continue to offer a kaleidoscope of transformative experiences for next year and beyond.

Tonight's event is particularly important to emerging artists, young and old, who cannot otherwise afford to experience what we offer without financial assistance. Your special participation in tonight's auction and "Fund-a-Need" segment supports our annual programs and scholarships for these artists.

Please don't forget to purchase tickets for your opportunity to win a seven-day cruise on Holland America! One lucky winner will walk away tonight with this trip of a lifetime.

This evening is the also result of the hard work, dedication and commitment of nearly 100 volunteers led by our 2013 Gala co-chairs, Debbi Steele and Kelli Conrads. Please join us in thanking them, their volunteer committee members, our most generous presenting sponsor, Kitsap Bank, auctioneer Jim Dever—and all of our Board and staff as we celebrate our achievements together!

Thank you all for your continued support, and here's to forty more years of life-changing programs at Centrum!

President, Board of Directors*

KALEIDOSCOPE'S 40TH ANNIVERSARY GALA TABLE CENTERPIECES

The ruby (gemstone of the 40th anniversary) possesses an eternal inner flame, symbol of the passion that's kept Centrum alive and strong for the last 40 years and burns as fuel for its future.

Kaleidoscope's 40th Anniversary Gala Table Centerpieces celebrate that passion, incorporating symbols of earth (branches), water (beta fish), air (cardinals), and fire in the form of a rise of rubies. There is a centerpiece and bid card at each table; be sure to select and purchase your centerpiece early by writing your bid number on the card. At the close of the evening, volunteers will pack your centerpiece for its ride home.

Creators: Heather Pollock and Brandy Herold

Value: \$60 per centerpiece

CENTRUM PROGRAMS

There is nothing as compelling, or personal, as using one's own voice to make music. Centrum's Voice Works draws extraordinary faculty as well as participants of all levels - what they have in common is their desire and love of making music. This year Voice Works featured the Birmingham Sunlights, joyous keepers of a deep-rooted American tradition associated with four-part gospel harmony singing. The Sunlights, along with other acclaimed faculty/musicians, including Pharis and Jason Romero, Linda and Dave Lay, Kristin Andreassen, Suzy

Thompson, and more, led classes ranging from duet and trio singing and four-part a cappella to basic song writing. The womens' singer showcase was an astonishing demonstration of powerful talent, and the annual Polka dot dance brought its usual hint of joy and playfulness.

"It's one of the most amazing opportunities I have ever known and I always get something out of it that makes a difference in how I continue to make music."

-2013 VOICE WORKS PARTICIPANT

This year's Festival represented a multiplicity of styles from Cape Breton, Basque, Cajun and more. What a way to spend the week - living, learning, and jamming with masters of a wide array of fiddling styles, and most important, being "in community" with the bearers of fiddle traditions

Artistic Director Suzy Thompson continued her momentum from last year and assembled a panoply of classes, performances and dances that offered cultural discovery and deepening of community for all. The Basque trio of Joseba Tapia, Javier Leturia, and

Arkaitz Miner were a particular highlight with their unrelenting energy and their performance of both traditional and cutting-edge Basque music. They, along with our other talented artists, brought to life the art and the soul of community-based fiddle music.

"The entire Basque troupe was incredible. All three of them made a huge effort to come and jam and interact with the participants even though they didn't speak English that well. Music is a universal language, and they speak it so well."

CENTRUM PROGRAMS

The Port Townsend Writers' Conference

Erin Belieu,
Artistic Director

Since 1974, the Port Townsend Writers' Conference has provided writers of all levels with rigorous craft instruction in a nurturing environment.

Whether writers come to create new work, to rethink and revise existing work, or whether they simply desire to be refreshed and renewed in the writing life, the Port Townsend Writers' Conference is the central heart of the Pacific Northwest literary scene.

In 2014, the Port Townsend Writers' Conference returns to its historic ten-day model, which was in place from 1974 to 2004. July 10-20, such faculty as Artistic

Director Erin Belieu, as well as Kim Addonizio, Robert Lopez, Emily Rapp, Dana Levin, Sam Ligon, and others, transform the inspirational environment of Fort Worden State Park into a supportive, craft-oriented community built around helping each writer take the next step in their writing life.

"I walked away with a sense of having found a community. There were so many creative, stimulating people to exchange ideas and experiences with."

~2013 PORT TOWNSEND WRITERS' CONFERENCE PARTICIPANT

Jazz Port Townsend

John Clayton,
Artistic Director

After 37 years, Jazz Port Townsend is still going strong as one of the oldest and most respected Jazz workshops in the nation. Artistic Director John Clayton orchestrated a week-long opportunity for participants to meet other aspiring musicians, soak up a week of jazz in a seaside paradise, and leave as a better musician. Our faculty are not only great teachers, but also outstanding performers and entertainers, filling the week with exciting concert and club performances. Audiences were delighted by nationally and internationally acclaimed artists such as Anat Cohen, Clarence Acox, George Cables, Jeff and Gerald

Clayton, Jeff Hamilton, Cyrille Aimée, and many more. Centrum continues to draw the greats to this workshop and to provide life-changing educational experiences to participants.

When asked about highlights, one 2013 Participant said:

"I made many friends, felt remarkably inspired, and am excited about how much better my performances will be, as I digest my new knowledge, and let it shine through me. All of the professional musicians, though they didn't know me, were warm and inclusive."

CENTRUM PROGRAMS

Port Townsend Acoustic Blues Festival

*Daryl Davis,
Artistic Director*

Artistic Director, Daryl Davis, once again brought some of the best performers and faculty to our Blues Festival this year, including Phil Wiggins, Sunpie Barnes, Warner Williams - to name a few. Participants enjoyed daily offerings in Hill Country, Delta and Piedmont styles, finger-picking, blues guitar, slide guitar, harmonica, violin, mandolin, banjo, blues piano, bass, blues singing, and gospel choir, all taught by masters of the traditions - topped

off with "Blues in the Clubs," a free concert for kids, and an Acoustic Blues Showcase performance. This year's Blues activities also include a weekend Blues Acoustic Guitar Intensive this month with master acoustic guitarists Mike Dowling and John Miller.

"One of my favorite moments was when I realized the vastness of the opportunities to learn."

-PORT TOWNSEND ACOUSTIC BLUES
FESTIVAL PARTICIPANT

Port Townsend Chamber Music Festival

*Lucinda Carver,
Artistic Director*

The 2012-13 season for Centrum's Chamber Music Festival had an superb finish with the return, after twelve years, of the Arianna String Quartet. Under the artistic direction of Lucinda Carver, Centrum is excited to continue to bring acclaimed chamber music to Port Townsend. Our 2013-14 season

begins in November and is entitled, "Classics in Context." Each performance will feature added elements highlighting the history and culture from the period of the music presented. As part of our Joseph F. Wheeler Celebration Series, all concerts are held in the intimate setting of the Wheeler Theater.

CENTRUM PROGRAMS

Centrum Artist Residencies

For over 30 years, artists from around the world have come to Centrum seeking the opportunity to retreat into nature and focus on their art and inspiration while having the resources to support their creative process and to meet their daily needs. Residencies are open to

individuals or groups in all art genres. This program provides an ideal location of tranquility and natural beauty nestled in Fort Worden and boasts accessibility to amenities at the park and in downtown Port Townsend.

Young Artists Project

As one example of the many year-round young artists projects, the DANCE This! Camp at Centrum provides an opportunity for high school students to study a wide range of dance styles and techniques in a supportive, yet challenging atmosphere. Students participate in African, Ballet, Choreography, Hip-Hop and Modern dance classes with

professional dance instructors from the Seattle area.

"I found my confidence in dance and learned that I am capable of doing any type of music as long as I can connect the dances with my heart. Learning how to express my feelings through dance was a highlight."

CENTRUM PROGRAMS

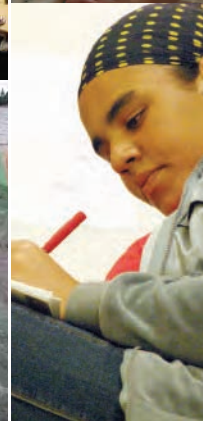

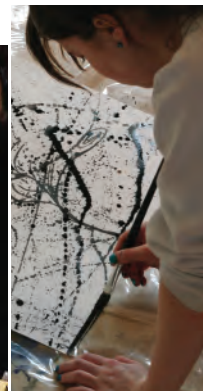

New Program: Port Townsend Ukulele Festival

*Marianne Brogan,
Artistic Director*

In its inaugural year, Centrum's 2013 Ukulele Festival resulted in a waiting list of more than 100 participants, all of whom have to wait for next year's festival. Now that's high demand! The "Uke" festival showcased national faculty members with 137 of Centrum's newest friends. The beauty of the uke is that its music is universal - nearly

any style or era of music is and can be replicated on a ukulele. Artistic Director Marianne Brogan led the acclaimed week with aplomb and two special sold-out concerts capped a magical week of sharing and learning, the likes of which our community has never seen!

Centrum Gala Auction General Rules

1. Unless otherwise noted, all goods and services must be claimed and used within one year of the auction date.
2. Upon entry, each guest receives a bid card. To bid in the silent auction, write your bid number clearly on the silent auction bid form. To bid in the live auction, hold your bid card up high, with the number toward the auctioneer. By bidding in the live or silent auction each bidder agrees to these auction rules.
3. A bid acknowledged in the live auction by the auctioneer is a legal contract to purchase the item. In the silent auction, designation by the silent auction official of the bid you have written is a legal contract to purchase that item.
4. Winning bidders may pay for their items at the conclusion of the live auction. If you sign up for "Express Pay" at the beginning of the evening, purchases will be charged

to your account. Payment in full is mandatory at the auction.

5. Except for "per person" bidding, auction items are awarded to one purchaser only. A purchaser wishing to split the payment for an auction item must collect individual payments from the other bidders sharing in the cost and present them to the cashiers at the time of payment for the item.
6. All purchases are final and there will be no exchanges or refunds on items unless otherwise noted.
7. We will gladly accept your payment by currency, check, Visa or MasterCard, but Centrum benefits if you pay in cash or by check. Please make your check payable to Centrum.
8. Centrum reserves the right to add or withdraw, without notice, items to or from the auction.
9. Purchaser may claim the certificate(s) from the certificate table and pick up items from the designated volunteers in each section by showing the

"Paid" receipt. Certificates will be delivered to "Express Pay" guests.

10. Reservations for trips, dinners and vacation accommodations must be mutually arranged unless otherwise noted.
11. Centrum has attempted to describe and catalog all items correctly, "as is, where is." Centrum neither warrants nor represents, and in no event shall be responsible for the correctness of descriptions, authorship, or condition of items.
12. Each person issued a bid number (bidder) assumes all risks and hazards related to the auction and items obtained at the auction and agrees to hold harmless all parties connected with the auction from any liability arising therefrom.

Silent Auction

1. Bid by writing your bid number on the form opposite the amount you want to bid. We ask you to press firmly, as you will be making two copies. The next bidder must

bid the next higher amount to be successful.

2. You do not have to take the next available bid amount, but may skip ahead to find the amount you really want to bid.
3. To ensure your purchase of an item, write your bid number opposite the amount labeled "GUARANTEED PURCHASE" and you own the item. Bidding on that item is concluded.
4. You may bid on any silent auction item until the section is closed. Bidding will close at the time announced or posted.

Live Auction

You may bid in the Live Auction by holding your bid card up high, with the number toward the auctioneer. Either the auctioneer or bid spotter can accept your bid. Please note that some items, for large groups, will be bid PER PERSON. Each couple has two bid cards, and you must raise a card for each person bidding to attend one of these events.

Four Port Townsend Artists Create Painted Fiddles to Celebrate Centrum's 40th Anniversary

Max Grover

- Max is a legend in Port Townsend for his artistry and generosity
- He is best known for the colorful, playful paintings he shows in West Coast galleries from Vancouver to Los Angeles.
- Max's primitive, naive painting style is full of charm and whimsy. His work invokes the extraordinary in the ordinary with children, adults but most of all with the young at heart.
- Max's Wacky Taxi Day was selected as a Children's Choices title for 1998. His work has been published as greeting cards by Peaceable Kingdom Press and Graphique de France.
- His original painted violin evokes the signature style of the artist with an elaborate array of pictographs, symbols, references to Port Townsend and the optimism and joy that characterizes the artist, himself! It's a one-of-a-kind!

Donor: Max Grover

Value: \$1,000

Richard Jesse Watson

- If a picture tells a thousand words, local illustrator Richard Jesse Watson may be the most verbose member of our community!
- Currently Watson's solo exhibit at the Bainbridge Island Museum of Art runs October through mid-January,
- He has been illustrating children's books since 1985, with New York Times Bestsellers, including *The Night Before Christmas*, set in Port Townsend.
- Publishers Weekly says "Watson's artwork achieves a startling blend of the ancient and the timeless."
- Centrum thanks RJW for this singular contribution to Centrum's 40th anniversary Gala!
