

# Centrum at Ft Worden Volunteer Application

Thank you very much for your interest in becoming a Centrum Volunteer! Our volunteers are at the heart of all that we do, and we couldn't get it done without you.

This form will get your contact information into our database. Then you'll start receiving all of the current Volunteer information as soon as it's available, emailed directly to you.

Given the number of participants in the volunteer program, email is the best way for us to stay in touch. We are careful with your email address, and it will not appear in group mailings, or be shared with any other organization. If you don't have email, you will be contacted via the postal service or by phone.
